### **Brimstone Haunted Hayride**

This year's theme is *Gallery of the Damned* featuring oddities and curiosities of the avid collector Davis Brimstone on the Brimstone Family Farm. After his passing, Brimstone's family have discovered items in his gallery that would make even the bravest shiver with the mysteries surrounding them. Step on the wagon and be led through the Brimstone Family Farm and not only see this collector's unique artifacts but experience the hauntings that follow them.

### **Forgotten Forest**

This is no ordinary woods walk. The Forgotten Forest is a place shrouded in mystery. Many people have gone searching for answers to the unnatural events that occur in and around the forest, but none have ever returned. Only the bravest should dare enter these trees and if you make it back out, you will not be the same as when you went in.

Brimstone Haunt runs Friday and Saturday nights from September 28 through October 27. Located at 472 Brimstone Road the haunted attractions are minutes from Cincinnati and Dayton. Tickets and more information can be found at [www.brimstonehaunt.com](http://www.brimstonehaunt.com).

Brimstone Haunted Hayride and Forgotten Forest are produced by Brimstone Haunt, LLC and held at Renaissance Park Event Center. For more information on Renaissance Park Event Center, please visit [www.renparkusa.com](http://www.renparkusa.com).
